ROOM SYSTEM OVERVIEW

Large Room Kit

KEY FEATURES

- Premium, installed room audio for spaces up to 80m2 leveraging Sennheiser's beam forming capability and Xilica's HearClear acoustic echo cancellation.

- MS Teams compatible HID Mute and Volume Sync simplifies audio control from within the app and room visibility of mute status.

- Xilica Follow Me camera functionality eliminates the need for a third-party control system for controlling the PTZ camera based on who is speaking.

- Touch interface for convenient audio and room control.

KIT INCLUDES:

- Sennheiser TCC2 Microphone

- Xilica Solaro QR1-UC PoE-powered digital signal processor

- Xilica Sonia Amp

- Xilica Sonia C5 (2)

- Xilica XTouch 80 Touch Interface

XILICA®
